A hand-drawn map of Traversdorf, showing a road network and numbered plots. The map is oriented with a hatched area at the top labeled "Traversdorf". A main road runs diagonally from the top left to the bottom right. A side road branches off to the left, and another branches off to the right. The plots are numbered as follows:

- Plot 1: A small square plot located on the side road to the left of the main road.
- Plot 2: A small square plot located on the side road to the left of the main road, adjacent to Plot 1.
- Plot 3: A small square plot located on the side road to the right of the main road.
- Plot 4: A small square plot located on the side road to the left of the main road, adjacent to Plot 2.
- Plot 5: A small square plot located on the side road to the left of the main road, adjacent to Plot 4.
- Plot 6: A small square plot located on the side road to the right of the main road, adjacent to Plot 3.

Dimensions are indicated on the map:

- 800 m: A dimension line indicating the width of the side road to the left of the main road.
- 1,200 m: A dimension line indicating the width of the side road to the right of the main road.
